One night Tilly the Robot had to stay at  
his grandma's house

One night Tilly the Robot had to stay at  
his cousin's house

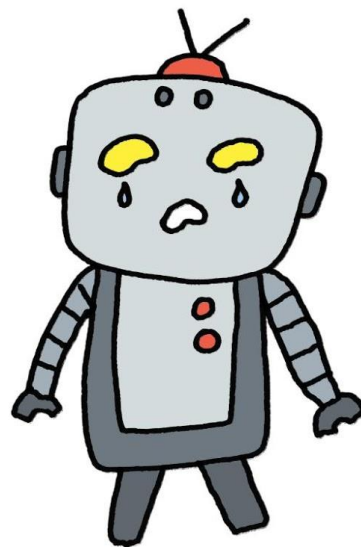

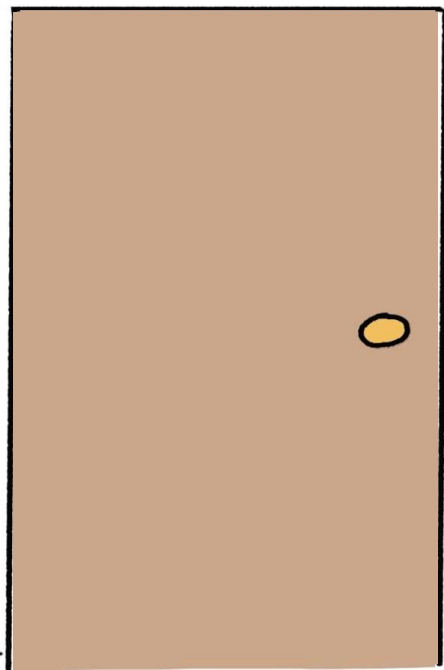

He was so scared he couldn't sleep.  
He always worried about staying at  
other people's houses.

He went to the living room and came out holding something. "These are worry dolls" he explained.

"Just tell each of them of your worries  
and put them under your pillow on  
your bed. They will get scared for you  
while you sleep".

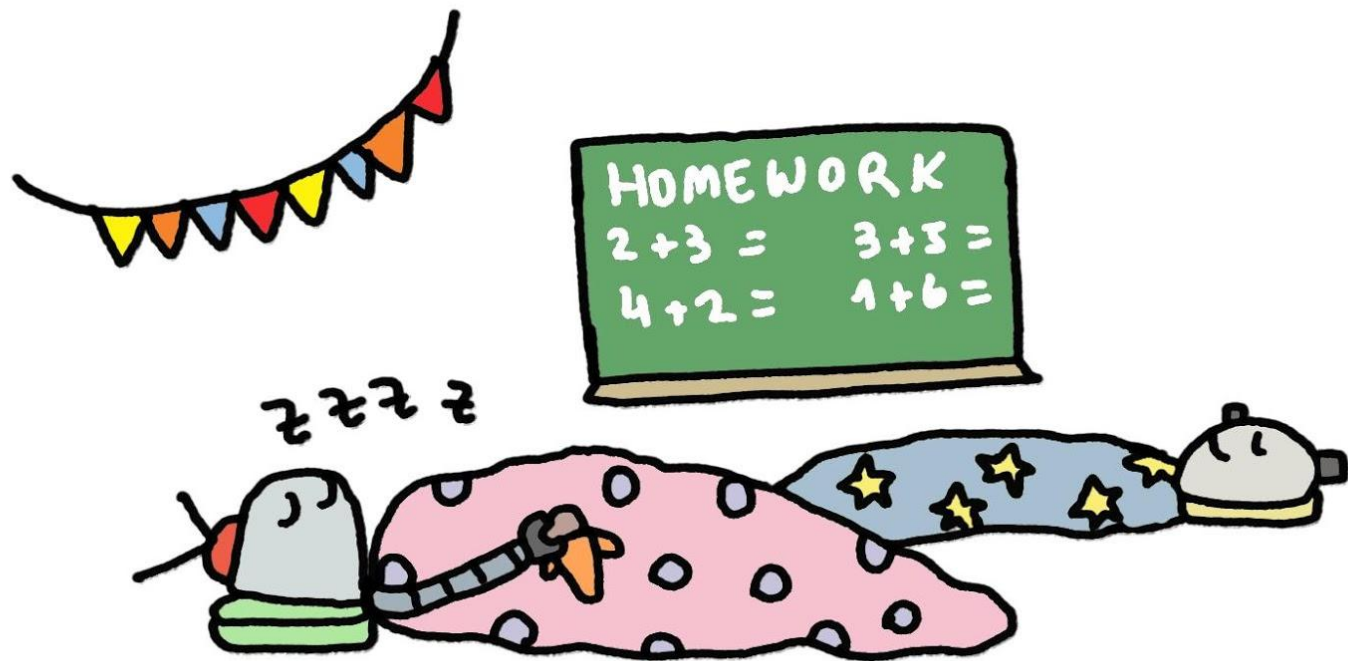

Tilly the Robot told all his worries to the worry dolls and he slept like a log.

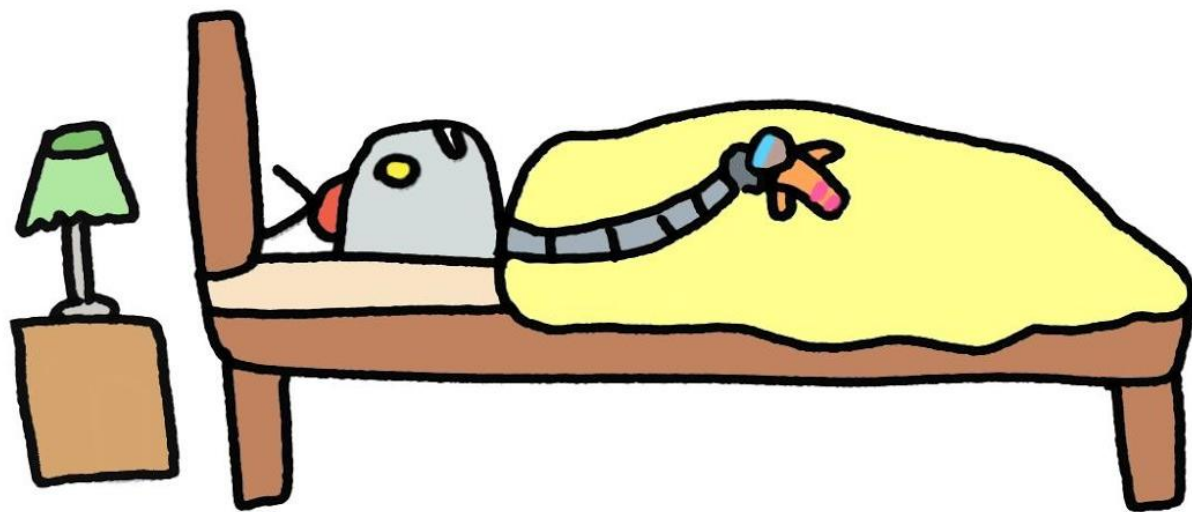

The next morning Tilly went home.  
That night, he again told all the things  
he was scared of to the worry dolls.  
He slept like a stone.

The next morning Tilly went to school.  
Naptime came and he again told all  
the things he was scared of to the  
worry dolls. He slept like a stone.

The next night Tilly slept well and the night after that. But the night after that Tilly the Robot started to worry again...

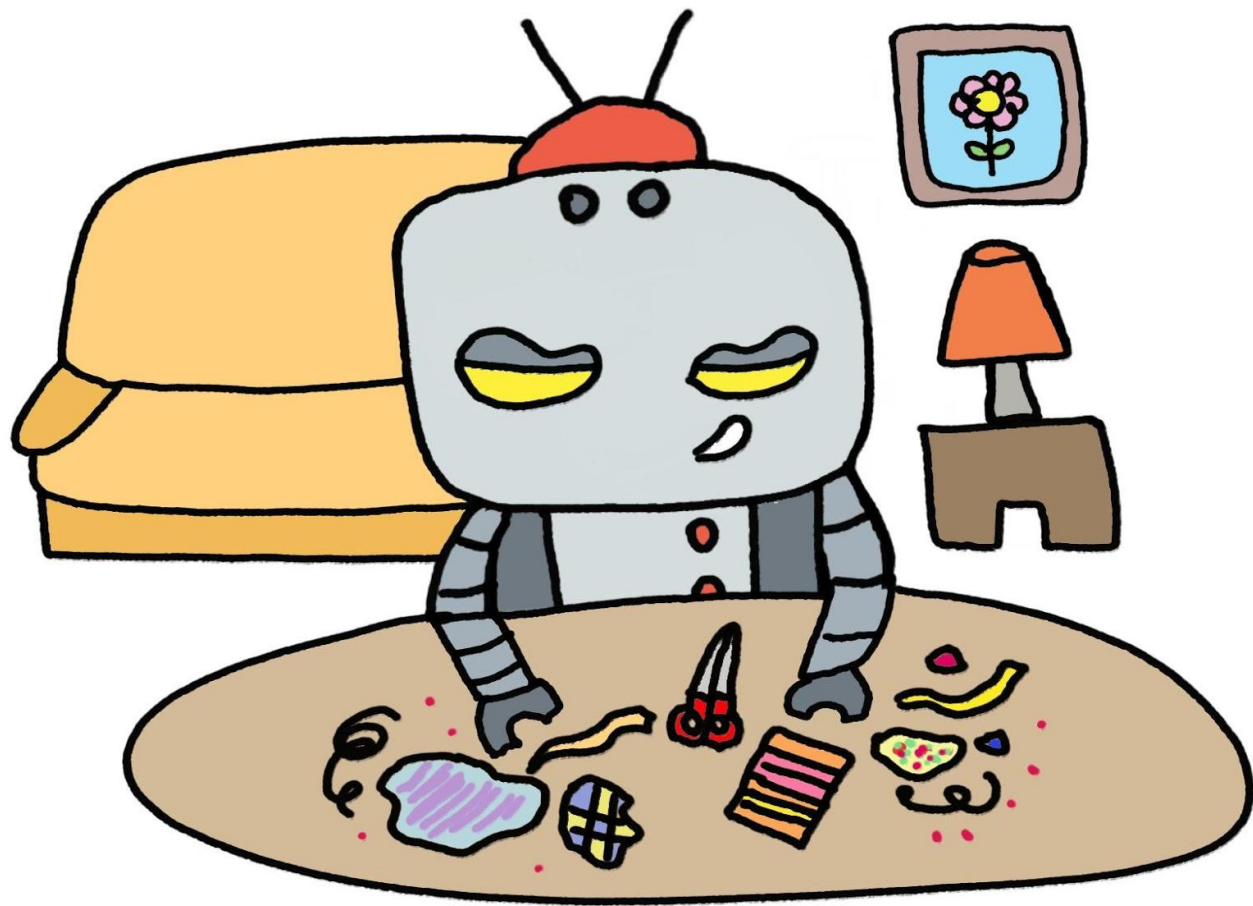

He couldn't stop thinking about the dolls- all those worries he'd given them... They must be so worried, it didn't seem fair.

Some worry dolls for the worry dolls.  
That night everyone slept well. Tilly  
the Robot and all the worry dolls.

And after that, Tilly didn't worry much  
after all. And neither did his friends...  
Tilly the Robot made worry dolls for all  
of them.
